v.

City of Chicago,

No. 02 c 4534  
Judge James B. Zagel

DEC 10 2003

**MEMORANDUM OPINION AND ORDER**

1. With respect to the telephone records, I deny defendant Blackwood's motion to compel production of home and cellular telephone records for the years 1997-2000. Records with respect to year 2001 have been produced. I also quash any subpoena for phone records from any of plaintiff's employers except for the year 2001. In the context of this case, there is no viable evidentiary value for the phone calls made before 2001.

2. The prescription records subpoenaed by plaintiff do not infringe on any issue of medical confidentiality since they appear to establish that there are no prescriptions on file for defendant Blackwood at any of the stores listed in the subpoena.
